

GREENHOUSE CHALLENGE ENGINEERING NOTEBOOK

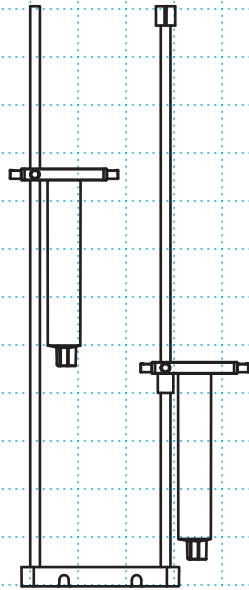

Name: _____

Group: _____ Design # _____

A What problem do you want this design to solve?

B Draw your new (micro) greenhouse design.

C Build it. Test it.

D How can it be improved? This will become your next problem to solve.

Remember...
There is no perfect design.
You can always make your
greenhouse better.

E Get another engineering notebook page. Solve the new problem.

Name: _____

Group: _____ Design # _____

A What problem do you want this design to solve?

B Draw your new (micro) hydroponic system.

C Build it. Test it.

D How can it be improved? This will become your next problem to solve.

E Get another engineering notebook page. Solve the new problem.

Remember...

There is no perfect design.
You can always make your
micro hydroponic system better.
